**Century Announces Filing of Third Quarter Financial Results and  
Management Discussion and Analysis for Nine Months Ended December 31, 2024**

**Hong Kong, February 13, 2025 – Century Global Commodities Corporation (“Century” or the “Company”)** (TSX: CNT) is pleased to announce that it has filed its condensed consolidated interim financial statements for the third fiscal quarter ended December 31, 2024 and the related management discussion and analysis (“MD&A”). Copies of these documents are available under Century’s SEDAR+ profile at <http://www.sedarplus.ca> and will also be posted on Century’s website at [www.centuryglobal.ca](http://www.centuryglobal.ca).

Highlights of operating results:

For the nine months ending December 31, 2024, the Company:

- Closed a total of A\$500,000 private placement financing, by its subsidiary Joyce Direct Iron Inc. (“JDI”), at an A\$25 million valuation to prepare for a spinout.
- Achieved nine months’ record sales of \$10.16 million. Century Food generated gross segmental profit of \$2.50 million and net segmental profit of \$472,377.

For the quarter ending December 31, 2024, the Company:

- Delivered an operating after tax profit of \$163,132, made possible by a strong gross profit contribution by Century Food, currently the sole revenue-generating operation of the Company, of \$964,905. This is the first operating profit quarter for the Company, as a resource exploration and development company, and also a record gross profit since inception.

As of December 31, 2024, the Company had net working capital\* of \$6.3 million, consisting of unrestricted free cash, bank deposits and marketable securities totaling \$4.3 million, together with accounts receivables, inventories and other current assets of \$5.3 million, less accounts payable and other current liabilities of \$3.3 million.

## ABOUT CENTURY

Century Global Commodities Corporation (TSX:CNT) is primarily a resource exploration and development company with a large portfolio of multi-billion tonne iron ore projects in Canada, mostly discovered by its own exploration team. It has other non-ferrous metals properties under exploration as well as a well-established food distribution business (Century Food) in Hong Kong.

### *The Joyce Lake Direct Shipping Iron Ore Project*

Joyce Lake, our most advanced project, is an open pit direct shipping iron ore project in Newfoundland and Labrador, close to the town of Schefferville, Québec which is serviced by a rail link directly to ocean shipping iron ore ports at Sept-Îles. The Project has completed an updated feasibility study in 2022 and is undergoing environmental assessment. Joyce Lake is held in a special purpose vehicle, Joyce Direct Iron Inc. ("JDI"), in which Century owns 89.8%.

### *Century Food*

Century Food is a subsidiary of the Company operating a value-adding marketing and distribution business of quality food products sourced from such high-quality regions as Europe and Australia for the Hong Kong and Macau markets. It was created as a counter-cyclical business at the bottom of the Super Cycle in 2015 to generate profit and cash to supplement the metals business.

## Non-IFRS and Other Financial Measures

Certain financial measures used by the Company to analyze and evaluate its results are non-International Financial Reporting Standards ("IFRS") financial measures or ratios. Each of these indicators is not a standardized financial measure under the IFRS and might not be comparable to similar financial measures used by other issuers. These indicators are intended to provide additional information and should not be considered in isolation or as a substitute for measures of performance prepared in accordance with IFRS. Further information on the non-IFRS and other financial measures included in this press release is provided in the section "Non-IFRS and Other Financial Measures" of the Company's MD&A for the nine months ended December 31, 2024 which is available on SEDAR+ at <http://www.sedarplus.ca>.
