**CENTURY IRON MINES CORPORATION ANNOUNCES THE SUCCESSFUL CONCLUSION OF NEGOTIATIONS  
WITH WISCO RESOURCES ON THE DEFINITIVE JOINT VENTURE AGREEMENTS FOR DUNCAN LAKE,  
ATTIKAMAGEN AND SUNNY LAKE**

**Toronto, Ontario and Beijing, PRC – November 29, 2011** – Century Iron Mines Corporation (“**Century Iron**” or the “**Company**”) (TSXV: FER) and WISCO International Resources Development & Investment Limited (“**WISCO Resources**”) are pleased to announce that they have together concluded negotiations and agreed upon the definitive forms of joint venture agreements that will govern the joint ventures to be formed between the Company and WISCO Resources for the exploration and development of the Company’s Duncan Lake, Attikamagen and Sunny Lake projects (the “**Joint Venture Agreements**”). The Joint Venture Agreements will be executed following completion by WISCO Resources of certain internal formalities, at which time the Company will provide a further news release. Under the definitive joint venture agreements, WISCO Resources will invest an aggregate of \$120 million in exchange for a 40% interest in each of the three projects.

Mr. Sandy Chim, President and CEO of Century Iron, stated that “We have again achieved an important milestone in the history of our Company. Our successful conclusion of the negotiations with WISCO Resources enables us to expand and expedite the exploration of our Duncan Lake, Attikamagen and Sunny Lake projects with WISCO Resources as our key strategic partner. The funding of these projects under the joint venture agreements will enable us to execute on our significant exploration plans for each of these projects.”

**About the Company**

Century Iron Mines Corporation (TSX:FER) is Canada's largest holder of iron ore land claims, with interests in several properties in the Provinces of Quebec and Newfoundland and Labrador.

Century's mission is to enhance shareholder value through the development of iron ore projects in Canada and to become a major Canadian iron ore producer. Century has promising iron ore assets and is firmly entrenched in western Quebec and in the prolific iron ore-producing region of the Labrador Trough in eastern Quebec and western Labrador. The Company has two key strategic partners in WISCO

International Resources Development & Investment Limited and Minmetals Exploration & Development (Luxembourg) Limited S.à r.l., both state-owned Chinese companies with the financial and technical resources to assist the Company with funding and technical expertise for the exploration and development of its iron ore projects.

The Company has interests in the following mineral exploration projects located in Quebec and Newfoundland and Labrador:

- The Duncan Lake Project of which the Company currently has a 51% interest with an option to increase to a 65% interest under an option and joint venture agreement with Augyva Mining Resources Inc.;
- The Attikamagen Project of which the Company currently has an option to acquire up to a 60% interest under an option and joint venture agreement with Champion Minerals Inc. (TSX:CHM)
- The Sunny Lake Project (100% owned by Century Iron) and
- The Astray, Grenville, Menihék and Schefferville projects recently acquired from Altius Minerals Corp. (TSX:ALS) (100% owned by Century Iron).

The Company's objective is to enhance shareholder value through the development of iron ore projects in Canada and to become a Canadian iron ore producer. Century Iron's website is: [www.centuryiron.com](http://www.centuryiron.com).
